

GANPAT UNIVERSITY									
FACULTY OF COMPUTER APPLICATION									
Programme	B.Sc. (IT)				Branch/Spec.	Department of Computer Science			
Semester	VI				Version	1.0.0.0			
Effective from Academic Year		2017-18			Effective for the batch Admitted in			June 2015	
Subject code	U26A1PRJ	Subject Name			INDUSTRIAL PROJECT				
Teaching scheme					Examination scheme (Marks)				
(Per week)	Lecture(DT)		Practical(Lab.)		Total		CE	SEE	Total
	L	TU	P	TW					
Credit	-	-	24	-	24	Theory	-	-	-
Hours	-	-	48	-	48	Practical	450	300	750
Pre-requisites:									
Student must have knowledge of System analysis and design concepts.									
Learning Outcome:									
To develop the practical skill in the students with real time work experience through internship; It is expected that the experience develop the some of the skills in study, analyzing, designing, configuring & implementation, and evaluating the information systems along with the opportunity to working.									
Content									
1	<p>Rules for the Project:</p> <ol style="list-style-type: none"> 1) The duration of the project will be semester term. The students can do their project work individually or in a group, but the work must be sufficient in order to justify the duration and role. 2) The passing standard in the project will be as per GNU standard. 3) The project work should be commencing after seeking prior approval from the institution. Generally the purpose of approval includes to submit their project titles and proposals with the name of internal and external guides to the Project Coordinator of Institution within 15 days of the commencement of the six semester. In case, if the student proposal is rejected, the revised proposal in the same or other area, is required to submit and get it sanctioned within next 10 days. Failing to do this, His/her term will not be granted. 4) The students have to report to the internal guide as per schedule declared during the project life span with the progress report duly signed by external guide but in case the minimum 3 reporting is must. The reporting can be online but it needs prior approval with genuine grounds. Moreover they have to bring these reports with the final report at the time of final report at the time of external examination. 								

	<p>5) The external examiners appointed by the University will give the external marks on the basis of the heads like Presentation, Demonstration, Viva Voice, Documentation etc. The distribution of the marks to different heads may be decided at the time of evaluation of the project but it is expected to have the same distribution.</p> <p>6) The Internal Guide/Project Coordinator of Institution will give the internal marks. These marks may be given on the bases of regular reporting of the student to the internal guide.</p>
